MY NAME IS LARRY JAMES 83179 I'm writing you CAI

Because I was injured while I was incarcerated at Frank Schot State prison. I was working on outside detail we were at howard building working there were 18 inmates and two officers in the elevator. the elevator fell from the second floor to the basement this happen January 12. 1990 I had a Lawer but the georgia department of corrections bought the Lawer out from up under me. in 1997 I filed a Law Suit myself against georgia Department of Corrections. they jump on me and put me in the hole for over a year. in year 2000 I had a back surgery and in year 2002 I had another back surgery now I need another surgery because my back is hurting real bad. I would like for you to appoint me a Lawer on this matter. because I dont have no family to help me. I feel like my constitutional Rights have been violated. I would like to hear from someone soon.

Thank you.
